Slender: The Arrival

From the guys who started it all... Slender: The Arrival is the official continuation of the series from original game creator Mark "Agent Parsec" Hadley, teamed up the writers behind the Marble Hornets series and the development team at Blue Isle Studios. Experience the fear all over again. The Arrival features true survival horror gameplay; forcing players to explore human emotions in an unsettling, haunting world. This is a game about survival - use your instincts to get out alive. Great visuals, an immersive storyline and an unnerving soundtrack contribute to one of the most memorable survival horror experiences of all-time.
